NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of volunteers, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Sir,

I would respectfully report that on the second September, a deserter from Benton Barracks, a paroled prisoner, by the name of "John Carney" was arrested second time as a deserter. A special Order was made from this office as follows:  
"1.35: AT John Carney, Co. H. 9th Mo. Infantry, is hereby ordered to be transferred to Benton Barracks under guard, charged with desertion, second time."

The Officer commanding will have attached against "Carney" the sum of \$100 as a reward paid for his arrest as a deserter.

By Order of Brig. Genl. Strong, Comdg  
C. C. Allen

Capt & Pro Marshal St Louis District

This is the only way at present, we have of forwarding  
the Charges against deserters, when they have no descriptive  
roll with them. 'Carney' was in Myrtle street Prison  
on the issue of the within order and it was forwarded  
there. The prison Clerk seems to have kept the official  
Order and sent out his own.

I am, General

# DECLARATION OF RECRUIT.

I, Levi Carver, desiring  
to VOLUNTEER as a Soldier in the Army of the United States, for the term of THREE YEARS,  
Do Declare, That I am Twenty years and months  
of age; that I have never been discharged from the United States service on account of disability or by  
sentence of a court-martial, or by order before the expiration of a term of enlistment; and I know of no  
impediment to my serving honestly and faithfully as a soldier for three years.

GIVEN at Wickburg, Miss  
the 1st day of March, 1864  
Witness: John Elam Levi Carver

(A. G. O. No. 74 & 75.)

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting returns of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment & Company in which the soldier last served should be given on the back.  
NOTE 2.—An enlistment binds to service. A master-in-must, in all cases, precede payment of pay, bounty, pension, &c. A master-in-roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

I have been informed I know not how correctly that Tennessee is to be divided into military districts and a military force will be stationed at all important points in the State and where ever there will be a military post it is more than likely there will be a Provost Marshal I should be much obliged to you if you could use your influence to get me an appointment at a place of some importance or if there is any place over which you have the appointing power I would regard it as a great favor if in your judgment you think me worthy and capable to appoint me to the position

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, etc., etc., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, etc. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, etc. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Act. Adjt. 4th Va. Inf.

Camp 4th Reg Me. Vols Infly  
December 29th 1862

My reason for resigning my Commission is caused by my person and family affairs. At the commencement of the present troubles I was a citizen of the Southern States. leaving my property in the State of Texas, which has since been confiscated to the amount of some Forty thousand dollars (\$40,000) because I was serving in the Army of the United States. a short time since my property in Virginia near the Potomac River was destroyed by General Sigel or the army of his Command, burning my house and other buildings, burning my sister and her children out of doors. Taken away some thirty (30) negroes, and every thing else movable without giving any cause for so doing. My sister is a widow of a dead man and Commander in the United States Navy, which should have been protection to her. and my property if not taken. By the Castitatis which exist in war. my family and pecul ar affairs has become so involved as to require my immediate presence and attention

# DECLARATION OF RECRUIT.

I, William F. Smith desiring  
to VOLUNTEER as a Soldier in the Army of the United States, for the term of THREE YEARS  
Do Declare, That I am Twenty-two years and two months  
of age; that I have never been discharged from the United States service on account of disability or by  
sentence of a court-martial, or by order before the expiration of a term of enlistment; and I know of no  
impediment to my serving honestly and faithfully as a soldier for three years.

GIVEN at Richmond, Va.

the \_\_\_\_\_ of \_\_\_\_\_ that the  
said \_\_\_\_\_ is \_\_\_\_\_ years of age; and I  
do hereby freely give my consent to his volunteering as a SOLDIER in the ARMY of the UNITED STATES  
for the period of THREE YEARS.

GIVEN at \_\_\_\_\_  
the \_\_\_\_\_ day of \_\_\_\_\_

Witness: \_\_\_\_\_

(A. G. O. No. 74 & 75.)

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.  
NOTE 2.—An enlistment holds to service? A muster-roll must, in all cases, precede payment of pay, bounty, pension, &c. A muster-roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

impediment to my serving loyally and faithfully as a soldier for three years.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

BEFORE Robert Buchanan

Recruiting Officer.

I CERTIFY, ON HONOR, That I have carefully examined the above-named Volunteer, agreeably

I CERTIFY, ON HONOR, That I have minutely inspected the Volunteer, P. J. Corcoran  
previously to his enlistment, and that he was entirely sober when enlisted; that, to the best of my  
judgment and belief, he is of lawful age; and that, in accepting him as duly qualified to perform the duties  
of an able-bodied soldier, I have strictly observed the Regulations which govern the recruiting service.  
This soldier has Blue eyes, Black hair, Fair complexion, is 5 feet

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

# NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

# NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *h. f. &c.*, &c.; to describe particularly the disability, wound, or disease; the extent of which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Per. 1870 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

# DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander, or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the first certificate in this paper, and that the soldier is furnished with the proper final statements in duplicate, and forward both of these certificates down to the Adjutant General United States Army at Washington, D. C., they will not, under any circumstances be given into the hands of the soldier.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, provision, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, or the case may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting returns of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment binds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c.
